Daily average balance																											

Note:　"Net due to financial institutions in the call loan market" and "Net due from financial institutions in the call loan market" should be net value on a daily basis. When "Excess reserve" is negative, the item shall be recorded as calculated. If the balance of "Category 2" after deducting the self-issue/acceptance/guarantee amounts is negative, it shall be recorded as zero.

*Refers to NTD bonds issued by international financial organizations in Taiwan with approvals of the Bank and the FSC and NTD corporate bonds issued by foreign issuers in Taiwan pursuant to the Regulations Governing the Offering and Issuance of Securities by Foreign Securities Issuers.

** "Others" refers to other liquid assets approved by the Bank.
